For nothing is secret, that shall not be made manifest; neither anything hid, that shall not be known and come to light. - Luke 8:17

Dear Friend in Christ,

Welcome to your FREE *Course on Dreams* (Part 1 of 5) from a totally biblical perspective.

Our Lord Jesus used to teach with parables.

Then He'd back it up with astounding miracles that left many speechless.

We're following in His footsteps.

What you are about to see are real-life examples of how to win your dream battles...

... rooted in scripture, not some theory that never works.

So, if you're ready...

Let's begin.

“The Surest Way to Prevent War Is to be Prepared to Win One”

That quote is from General Mattis, one of the great war-fighting generals of our time.

What's that got to do with dreams, you ask.

The Christian life is a life of warfare.

We're told to fight the good fight of faith (1 Tim. 6:12).

Why?

The devil has converted the dream life of many to a theater of war.

Spiritual warfare.

Bible warns us to:

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walks about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. - 1 Peter 5:8-9

Many years ago, the LORD opened my eyes to see my enemies planning to launch an attack against me one night.

(Please note that when I use the word "enemy" I am not referring to human beings. To true prayer eagles, enemy refers to the spiritual entities listed in Ephesians 6:12).

I watched with a sense of satisfaction as one after another, the demons refuse to take on the assignment.

Their reason?

Last time they came to attack, their weapons had backfired against them.

BECAUSE the Spirit of God had woken me up and revealed how to counter such attacks with extreme prejudice.

My primary weapon? Midnight prayer.

All glory to the LORD.

HE wants YOU to be prepared... through your midnight prayers

... to deal with the hordes of darkness anytime they rear their ugly heads.

Like this brand-new field report from Florence, one of my students in the Eagles' Forum:

“Dear elisha,

I really want to thank God for you.

I joined your prayer Academy December last year.

I was not very active. This year in March I told myself that enough is enough I started the mid night prayers.

Guess what? my spirit enjoys praying and on the 1st of June

I was delivered during midnight praying.

I had 3 spirit spouses who would come to have sex with me in the dream.

I was praying the 25 thanksgiving prayers and the 40 prayer points for success and then I prayed like this:

1. Every mouth and dream anointed to curse my blessings O Lord transfer their arrows back to them in the mighty name of Jesus.

2. Any power assigned to eat my flesh and drink my blood, die now in the name of Jesus.

The last prayer point I think it helped me a lot.

I had a serious painful left side including my arm, my hand, my leg etc.

I had to hold that side and pray like this:

3. You spirit husbands I send you into the pit of fire to burn now in Jesus name.

All of a sudden, it appeared as if in a dream and I saw three male baboons falling apart. Thank you very much.”

- Sister Florence

==

Praise the LORD.

Did you see the prayers she used to dispatch this stubborn, age-old problem to the great beyond?

(Hint: most people you see are afflicted with this terrible problem but have no clue how to solve it).

This sister used 3 prayer bullets to dissolve that problem forever.

That was the end of the problem.

Period.

There is MORE where that came from.

These days it takes a battle to obtain and keep your divine benefits.

Whether it be a befitting job, a top-notch career, a happy marriage, a growing ministry, or even to stay out of debt, etc.

The devil and his cohorts have declared war on everything good.

And the battle usually begins in the dream.

You and I cannot fold our arms and allow them to get away with it.

For the Bible says:

From the days of John the Baptist until now, the Kingdom of Heaven suffers violence, and the violent take it by force. - Matt. 11:12

In this *Quick Start Series* there are prayers to ...

- break the cycle of dream attacks, confusion and stagnation.
- arrest the agents of marital distress/delay.
- chase out the spirit of death.
- break the yokes of inherited debt/poverty forever.
- return evil arrows in the dream back to sender.
- paralyse the spirit of mind paralysis.
- force evil strangers to come out of their hiding places.
- release the healing power of God.
- cut every pursuing serpent to pieces.
- release turnaround breakthroughs.
- and much, much more!

Your challenge, should you choose to accept it, is to NOT only read these manuals but to put them into practice starting tonight...

... and to follow my simple directions ... one step at a time until your answer comes.

We begin with...

The Most Asked Question

In today's world, many are confused about what prayers to pray when confronted with specific troubles and affliction.

That's the reason we created a confidential community blog on our website called the Eagles' Forum.

Now, this Forum is becoming quite famous because of the thousands of testimonies of answered prayers that members share.

It has even been nicknamed the:

Upper Room for 21st Century Christians ...

And there is a reason for that.

You see...

So many people are finding it harder and harder to sustain much prayer fire on their own ... day after day, especially when it appears that Heaven is silent.

As the enemy steps up vicious attacks ... in the dream, on the marriage, on the family, even on your prayer life...

That's when you MUST repair to this one and only virtual location on the Internet where ...

... seasoned Prayer Eagles and intercessors from 117 countries congregate for prophetic, warfare prayers and deep intercession.

The members are there to support one another.

Because...

Talking about your problems with someone who has been trained in our manner of prayer can make the difference between victory and defeat.

Inside the Forum, the first thing you learn is that you are NOT alone.

And what you're going through is not abnormal.

Even when your troubles seem to be overwhelming, there are prayer warriors and intercessors available 24/7 to support you...

... help you cope... pray with you... **help interpret your dreams** (there are Dream Advisors on site too) ...

Exclusively Inside The Forum

They will even agree with you in prayer and share the relevant prayers and scriptures that helped them overcome a similar attack from the enemy.

(Oh yes, many have walked in your shoes).

And it gets even better.

Because finding out how others successfully dealt with the same nonsense that the enemy is throwing at you can change everything fast and...

Seriously -

- often, just discovering that you're not alone in what you're suffering through, that others have successfully navigated similar troubles ...

... can re-ignite your spiritual fire so much that you see yourself leaping across all satanic barriers to the finish line victoriously.

With that in mind, let's go to the Forum.

The first most asked question is:

"Why is God not answering me on this issue?"

The second most asked question is:

"How can I deal with the problem of having sex in the dream?"

Now, if you are living and breathing, you may have asked a variation of at least one of these questions before.

So today, I'll show you an answer that one of our hard-working prayer eagles just gave to a new member.

Here's the question and answer.

===

DMK:

What prayers can you pray to disconnect yourself from spirit husbands?

Eagle Pauline:

“If you haven’t been in the Prayer Academy Forum, it’s advisable to do so where you will learn step by step and you will be able to get your deliverance and maintain it.

However, prayer points like, *"you spirit husband I divorce you, reject you, I command you to leave my life now for I am now married to Christ and He can't share me with any other.*

I command you to collect your evil load and go. Blood of Jesus flush out any evil deposit injected into my body by the spirit husband;

Fire of the Holy Spirit consume the spirit husband to ashes and purge my body, soul and mind in Jesus mighty name. Amen."

I insist on going through the Prayer Academy (in the Forum) to develop your skills and spiritual muscles to deal with any counter attacks. That's my opinion. Remain blessed and overcome in Jesus Name. Amen.”

===

Great answer.

I totally agree.

The prayer sequence she has just given here can be devastating if prayed correctly - and by that I mean, with HOLY ANGER and with your spiritual ears and eyes wide open.

As she's pointed out, the Prayer Academy is where you receive the FULL training to help you take this kind of prayers to the max.

But in this **Quick Start** series, I will do my best to explain what you can do right away to deal squarely with this problem - whether you decide to join the Prayer Academy Forum or not.

Remember the scripture in 1 Peter 5: 8:

Be sober-minded and alert. Your adversary the devil prowls around like a roaring lion, seeking someone to devour.

Let's look at the prayers again:

- 1. You spirit husband I divorce you, reject you, I command you to leave my life now for I am now married to Christ and He can't share me with any other. I command you to collect your evil load and go.*
- 2. Blood of Jesus flush out any evil deposit injected in my body by the spirit husband.*
- 3. Fire of the Holy Spirit burn the spirit husband to ashes and purge my body, soul and mind in Jesus mighty name. Amen.*

These 3 prayers are loaded with lethal firepower against the agents of darkness.

Assuming that you are not having sex outside marriage (very important), if you pray them with holy madness night after night, you will soon find yourself delivered completely from having sex in the dream.

This is not empty theory.

Thousands of believers have experienced *sudden* deliverance from the wicked scourge of sex in the dream with just those prayers.

Why a few have not been delivered even after praying those prayers has to do with the level of their spiritual fire (always assuming they are not living in fornication or adultery).

This might be hard for you to accept. So, let me share an email conversation I had a few weeks ago:

SUBSCRIBER:

It's been a hard year. I've prayed. I've fasted. I've redone the Prayer Academy. But I've moved (from staying on luxury hills to being homeless and sleeping in churches or at times with people who can accommodate me).

I don't know where am going wrong. I even no longer hear from God regardless of my search for him. I meditate on his word and the testimonies in your emails. I am chased from place to place.

I can no longer open my mouth to pray. I've lost the meaning of fasting. I no longer know where to turn or who to help me.

My pastor also refuses to meet me to stand with me in prayer. Citing being busy. I've prayed Jane's prayers for employment and some several job applications but nothing.

I am very tired. If nothing, please pray with me not to lose faith. I don't want to backslide. I've lost balance totally.

ELISHA'S REPLY:

Thank you for your email.

First question: Did you have sex with anyone you are not married to?

Please reply. God bless you.

SUBSCRIBER:

Yes I did. Last year. Actually, now remembering. That was the beginning of my losing my job and whereas he began to do the best he's ever been in life.

ELISHA'S REPLY:

Thank you for your reply.

You wrote: "my pastor also refuses to meet me to stand with me in prayer. Citing being busy."

Did you mention or disclose to him that you had sex with a satanic agent who exchanged all your virtues and planted evil deposits in your life? Please reply. God bless you.

SUBSCRIBER:

I requested for quick appointment through personal secretary and she went to his office and talked to him only to be told he's busy...

... but secretary should take my contacts for scheduling an appointment. But receptionist appointments take 3 months before you are called.

I gave up. And stopped going to that church. There's a fellowship center where people gather any time of day or night for intercession. I joined them.

Everything came into perspective, I rejected this man in every way. He was everything I don't respect. But he stayed around as a friend.

Then one time he bought me sneakers that had just been launched in the US. I pleaded the blood of Jesus over them and wore them.

That's when the attraction came. But after the encounter my soul became restless and I cut myself off him and went into repentance and moved on.

I had 3 dreams of having sex with him....

No wonder God says in Hosea 4:6a says:

“My people are destroyed from lack of knowledge.

All her virtues have been transferred by a wicked satanic agent through sex. An evil exchange has taken place in the spirit and here she is blaming God for her plight.

The good news is that her problem has a solution.

There's a specific prayer sequence that will put her out of her misery ... given that she has fully repented (see the P.S. below).

That prayer blueprint is offered as a BONUS when you order the remaining Parts 2 – 5 of this *Quick Start Course* in one bundle (more about that in a moment).

Now, I receive thousands of emails daily.

Most of them have something or the other to do with dreams. The moment I open those emails the LORD graciously shows me what has gone wrong.

Then I ask the questions as I'm led to ask.

Some tell the truth. Some don't.

For those who decide to come clean, repent and turn away from sexual immorality or whatever it is they are holding on to, the LORD always comes through for them...

... and delivers them from all their troubles sooner or later.

So, please note those 3 prayers to stop having sex in the dream.

There are also prayers to pray immediately on waking up ... if you are attacked or harassed in the dream.

Here they are:

The 7 Prayers to Pray on Waking Up From A Bad Dream

1. *I cancel that negative dream I just had about ____ (fill in the blanks) in the name of Jesus.*
2. *I decree that it shall NOT manifest in the physical realm in Jesus' name.*
3. *I release the fire of God on every satanic actor in that dream.*
4. *I plead the blood of Jesus and I hold up the banner of victory in Christ Jesus.*
5. *Let the angels of the LORD go on a "search and destroy" mission to the land of the living and of the dead ...
to destroy every power, spirit, personality, device, or animal programmed to attack me in the dream.*
6. *Henceforth, let nothing trouble me in the dream for I bear on my body the marks of the Lord Jesus Christ.*

7. *Lord I thank you for making my life invisible and invincible to evil powers in the dream in Jesus' name. Amen.*

Coming Up...

In Parts 2 – 5 you will see ...

- ***The one dream you should never have if you want to wake up alive or live long on the earth (many people are having this dream but do not know how dangerous it is – because it is NOT a scary dream).***
