If You Or Anyone You Know Has Been Struggling With Unanswered Prayers These Past 6 months, Then You Have To Read This …

Half-Time Report

…That Shows You The 3 Simple Steps To Answered Prayers

Dear Friend,

Calvary greetings!

This is going to be short and sweet.

We’re now in the 2nd half of the year.

Truth is:

You can receive any breakthrough you desire in any area of your life in less than 1 week because of “silent” blessings floating around in the spirit realm, waiting for believers like you to pull them into the physical world through prayer.

Here’s one thing though…
Sometimes the prayers you need to pull your blessings into physical manifestation may appear totally unrelated to the issues and challenges you are facing.

We now have hundreds of cases where the prayer given to us for specific situations seemed unusual, to say the least.

However, these same prayers have been responsible for many testimonies of healing, marriage restoration, debt cancellation, dream victories, financial breakthroughs, spiritual growth, etc.

… And the list goes on and on.

Time will fail me … to list those specific cases we’ve seen recently but here’s a typical example that came in a few hours ago, as I began to prepare this special report.

(By the way, there are prayers you can pray for things to miraculously “appear” … just when you need them – I’m going to give you 17 of them at the end of this report).

But first, the case study.

**This One Is**
**An Eye-Opener**

Now, in reading this, I’d like you to notice how the happenings in the spirit realm seemed to be unrelated to the death-and-life issue at hand (you’ll find this to be the case with most problems engineered by the enemy).

*Prayers to Make Bad Things “Disappear”*

*In the year 2010, a relative who had been diagnosed with HIV was in a very critical condition. I didn’t know about it till much*
later. At the time I felt the Holy Spirit impressing upon me, to text her and declare that she would not die but live to declare the goodness of the Lord in the land of the living.

Later when she didn't reply, I discovered that she was near death in hospital. I was pregnant at the time, but I decided to do a 21-day prayer with fasting (I only skipped lunch).

After 21 days, I had a dream where I saw her and in her hand she was carrying a file. Alongside her was a very tall man who looked like he had been jolted awake, and he didn't look too happy.

The man had a lot of keys in his hand. I asked her why she was late for work again and she replied that they were going to court and they were so late.

I saw the man opening a padlock that had locked up a room with a big chain, inside was so dusty. The dream ended there. Weeks later she called me very excited and gave me the news that she was HIV free! Glory to God.

I used the prayers in your book. Please share and I hope that others will be encouraged and take steps to stand in the gap for others who can't pray for themselves. Our God is faithful.

Praise the LORD.

What is the connection between the dream, padlock, chains and the deadly infirmity that manifested as HIV in this sister’s life?

Turns out … a lot.
As you read this, the LORD has been showing you a lot of things in your dreams, whether you believe it or not.

Depending on your level of spiritual maturity, you could also be receiving divine revelations through visions too (there are prayers to help you understand your dreams but that is a topic for another day).

**For now, just remember this:**

Next time you see prayer bullets against satanic padlocks, evil chains and the strongman of your father’s house, you will do well to take them seriously.

In the same way there are prayers to make bad things disappear… like the case study here… there are also prayers to make wonderful things to appear.

Such things as financial breakthroughs, new and better jobs, love and honey in marriages, healthy body organs, etc.

**I Have To Tell You**

There are realms that **only** prayer can reach.

Then there are realms that prayer alone may not be enough …

In our prayer marathons, we sometimes include a “prophetic pause” … where we take a break from prayers to do other things (as led by the Spirit of God).

The 17 prayers you are about to see are “commanding height” prayers. If you pray them diligently for the next 21 days, one of two things will happen.

1. Bad things will be shaken out of your life.
2. Blessings will be drawn into your life
I cannot say which one will happen in your own case. If you prepare yourself (through deep repentance coupled with foundational prayers), as soon as you release this volley of prayers, all opposition to your breakthroughs will simply melt away.

Hebrews 12:26b-27 says this:

… but now he has promised, saying, yet once more I shake not the earth only, but also heaven. And this word, yet once more, signifies the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain.

Things that the enemy had planted in your life (sickness, poverty, debt, stagnancy, rejection, etc) must first be shaken out of your life.

What will be left standing?

Your divine blessings… breakthroughs… testimonies.

Before We Go To The Prayers Please Note This…

For these prayers to work as intended, you must surrender your life to the Lord Jesus Christ.

You must be genuinely born again. Nothing else will do.

The prayers you are about to see will only work for children of God.

As you pray them, the LORD will answer you in Jesus name.

P.S. You know, something just occurred to me.

There are 3 things I can help you with today:

#1. **Give you the prayers to help you understand your dreams and pin point the hidden root** of your problem so you can destroy it from the source once and for all (that means the problem will NOT come back).

#2. **Show you the prayer sequence that brings the kind of testimonies** you read on our websites (this means you do not have to pray haphazardly, your prayers will be targeted to bring the answers you desire, in line with God’s word).

#3. **Put you in a Prayer Forum with other prayer eagles so you can learn** how to receive those “silent” blessings that I mentioned. You will see how close you are to those blessings and how to pray and release them sooner rather than later.
