“But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.” – Isa 40:31

Golden Journey  
Level 2 Alert

**As Strong As An Ox...**

“We have moved into another realm in the program. You will have noticed that by now the hunger for food has departed. By today or tomorrow, the physical weakness will disappear too. And you will begin to feel quite strong. Maybe even as strong as an ox.”

Calvary greetings …

The second leg of this journey has been quite challenging.

But also quite rewarding for many.

From the devil trying to convince some people that it is not possible to go without food for many days (a direct contradiction of Scripture, by the way)…

… to our persistent prayer eagles going ahead to record astounding spiritual and physical breakthroughs…

… All we can say is praise the LORD.

Here’s just a sneak peek at what’s been hitting my inbox in the last few days:

“I just want to thank God. The truth is that I cannot really explain it but I thank God that I stumbled on this website last year.

Since that time, I have been going through UNUSUAL THINGS:
1) Going through Prayer Academy with the rigours of night vigil, Esther fast, long, long fasting period...

2) I went through 27-Minutes to Midnight Golden Journey 1 which was another very rigorous one

3) Now, the Golden Journey 2 - with Esther fast and breaking with water....for the whole period?

It takes God. Satan was suggesting to me that I cannot go through Esther fast and break with water alone and that it is not possible....Ah ah ah. God has strengthened me so much that my wife is wondering what is happening...

4) After my Prayer Academy, I discovered an investment opportunity which now pays me in dollars.

5) The glory of my first born was restored. He was not doing well in school before and I was on the verge of writing him off but the Lord spoke to me that I should speak to his life which I did and his destiny has turned around.

6) My wife’s business is growing with demand from major Universities.

7) My spiritual life has caught fire and I cannot seem to be able to stop...

8) I discovered a 'frightening' thing about my children during the Golden Journey 1 episode. I had thought that they are small and should not be exposed to this kind of machine gun type of prayers.

Alas, I asked them to join in one night and BOOM, the fire was unquenchable. They were firing from all cylinders. Two of them got baptised in the Holy Spirit with the evidence of speaking in tongues.

9) I am writing a book that will help thousands, if not millions, of others go out of financial captivity that the enemy has put them into....

NEED I SAY MORE?”

A Hidden Principle to Note

There is a hidden spiritual principle in the first month of a New Year. It is the time that covenants are typically renewed.

If you check the Scriptures diligently, you’ll see what the LORD told His people in the Old Testament to do every first month of their New Year.

Unfortunately this is a secret that every cult in the world – both ancient and modern – now understands very well.

So they too spend the very first month of the year to renew old ancestral and family bondages, curses and covenants.

Year after year the root workers of darkness consult the archives in the bowels of the earth and do everything they can to renew evil bondages and make sure they don’t expire.

Do you remember the Prophetic Action we carried out on Day 3 of the Esther Fast?

It was nothing short of a spiritual tour de force from the Holy Ghost designed to deal a death-blow to bondage renewals, their agents and their weapons…

… and by every account it hit the spiritual realm with the force of tsunami.

Glory be to God.

Now if you are still with us so far, you will begin to enjoy the fruits of your spiritual labor shortly.

So congratulations!!
Songs of Deliverance

We have moved into another realm in the program. You will have noticed that by now the hunger for food has departed. By today or tomorrow, the physical weakness some of you have been feeling will depart too.

As a matter of fact, you will begin to feel quite strong. Maybe even as strong as an ox.

I’m serious about this.

Brother Moses wrote in from India a few days ago:

“\textit{This is the first time in my life I did dry fast without taking water 3 days, even though now is less than 5 degree temperature in New Delhi. I never feel I am thirsty and hungry. Always my mouth is filled with holy water God given inside my body. I never have felt dryness and I am not tired in my body. I was so stronger than before, very alert and powerful and energetic. All this is a gift is from God Jesus.}

\textit{Esther fast end on 3rd day and broke with water only. Now today 4 day I am using more water. My wife is very afraid she is asking me to take food and water. I told her this is a God-given assignment i should not break, don't worry i am feeling very good and strong. In front of her i lifted weight and showed her I am strong with grace of Jesus Christ.}”

\textit{- Moses J, India}

Sister Anatolia shares her thought too.
“I am overwhelmed by what God can do. If it is possible to fast this long with only water, and still get so energetic, for sure all things are possible with God and i am sure he will answer us all and we will all never be the same again.

I feel so good and i want to continue fasting even after this second golden journey. I want this to be my life forever.”

- Anatolia M

Once you get to the point of receiving supernatural strength, it is a signal that the LORD wants to encompass you with songs of deliverance.

“Thou art my hiding place; thou shalt preserve me from trouble; thou shalt compass me about with songs of deliverance.” – Psalm 32:7

Beloved it is time to rejoice in the spirit. Begin to praise the LORD with more intensity.

Let the pure fragrance of your worship and the sweet incense of your prayers comingle and ascend to heaven’s throne day and night as you march victoriously to the end of this program, waiting upon the LORD.

(Please note that I am not talking about physical incense here. New Testament believers do NOT use incense. Prayer is incense in the spirit.)

Like Elijah of old, you will be spirited into the presence of the Sovereign God, Creator of the universe, on chariots of fire fuelled by your worship and prayers.

And get this…

The revelation you are about to receive in His Presence as you continue on this journey will bring breakthroughs that will last throughout your lifetime.
Remember: Just take it a day at a time. Don’t think of the number of days left. Just focus on completing the journey a day at a time.

Let me encourage you with the words of Apostle Paul:

“\textit{That’s why we are not discouraged. No, even if outwardly we are wearing out, inwardly we are being renewed each and every day.}” – 2 Cor.4:16 ISV

Finally, a word of CAUTION…

You must NOT under any circumstance use your mouth to criticize anyone. \textit{Your tongue now carries divine power.}

If those around you are in the habit of criticizing others (things, people, governments, etc) please simply shut your mouth and move away so you don’t carry another person’s evil load.

I hope to discuss this in detail in a future post.

In the meantime…

Be An Overcomer!

\textbf{PS: After Level 2, we will take a break for a while.} The next level (Level 3), as you might have guessed, will be even more challenging but also infinitely more rewarding.

It is still many months away, though (it will be scheduled sometime mid-summer). That will give you enough time to “taste” the results and enjoy the benefits of this present journey … so you’ll be raring to go when you hear the trumpet call.
